Getting to know OUCU's new Harry B. Crewson Foundation

Foundation will match all donations made to the Crewson Scholarship

OUCU CEO Phil Meyer announced the creation of the Harry B. Crewson Foundation at this year's Annual Meeting and Dinner.

Members are now able to make charitable contributions to the Harry B. Crewson Scholarships that are awarded to three incoming Ohio University freshman (who are also OUCU members) each year with the help of this foundation.

Additionally, OUCU Financial Services announced its donation of \$50,000 to the Harry B. Crewson Foundation. The donation will be used to match any member or community contributions to the Crewson Scholarship at a rate of \$10,000 per year for the next five years.

All donors will receive receipts for tax purposes.

From left: Kim Bonewit, Financial Services Board Chair, Phil Meyer, OUCU CEO, and Cory Corrigan, VP Financial Services, present the donation.

Are you interested in making a donation to the Crewson Foundation for next year's Harry B. Crewson Scholarship?

Please contact OUCU at 740.597.2800, visit www.oucu.org or stop by one of our branches for more information on this wonderful opportunity to give locally and help shape tomorrow's great minds.

Simple estate planning for everyone

While most of us need an estate plan, few of us actually take time to put one together. Good news: It might not be as difficult as you think.

Start with a Will

A will provides for distribution of your assets, names a guardian for your minor children, and appoints an executor or personal representative to see that your wishes are carried out. If you die without a will, a court will make these decisions for you.

Establish Powers of Attorney

Think through who you want to make important medical, legal and financial decisions for you if you can't speak for yourself. Work with an attorney to draw up all of the necessary powers of attorney to designate the right person to make those decisions for you.

Minimize Estate-Tax Consequences

Work with both an estate planning attorney and a financial advisor that specializes in estate planning to develop a comprehensive plan that addresses both your needs while you're alive and passes your remaining assets most efficiently after your death.

Leave a Paper Trail

Make a list of your assets along with information to identify and locate the accounts. Make a second list of your liabilities, including loans, mortgages, and credit card obligations.

Tell someone where this information is kept. If you put these documents in your safety deposit box, designate someone to have authority to open the box without your presence or consent.
