

SENIOR notes

Greetings!

I hope your 2020 has gotten off to a great start! I'm very excited to invite you to join us for a very special experience in March.

Known for its incredible collection of Dale Chihuly glass artwork, Franklin Park Conservatory is featuring **Chihuly: Celebrating Nature**, where massive, professionally lit glass installations will decorate the conservatory. This exhibition will include many pieces never before seen at the conservatory.

As always, if you have any thoughts or suggestions for the Senior Associates' Club, including things you'd like to see happen or future travel destinations, please feel free to contact me at by phone at 740-597-2845 or by email at rsassociates@oucu.org. I'd love to hear your ideas!

Best wishes!

OUCU Certificate Specials

Certificates are a great way to make the most of your savings, typically offering more competitive rates than traditional savings accounts with the peace of mind of having your funds federally insured.

Opening a certificate is simple! Simply deposit your funds, which cannot be withdrawn for a pre-selected amount of time without a small penalty. At OUCU, you'll never lose principle (your initially deposited funds) should you need your money early.

Funds deposited into OUCU certificates are insured up to \$250,000 by the NCUA and an additional \$250,000 by Excess Share Insurance, the nation's largest private deposit insurer. This means that when you invest in an OUCU certificate, your money is in good hands.

CU Rewards members can take advantage of even better rates. Exchange CU Rewards points at a rate of 1,000 points = .01% dividend rate increase.
