

SENIOR notes

Greetings!

I hope you all have stayed safe and healthy over the past year. I have truly missed getting to travel and spend time with you, and I'm very excited to say that we're ready to hit the road again!

I hope you'll join us as we travel back to one of our most popular destinations - the Amish Country! This trip is packed full of food and fun and will be one you won't want to miss.

In this newsletter you'll also find a tribute to the late Bill Coffey, who led the Senior Associates' Club for 13 years. Many of us, including myself, enjoyed spending time traveling with Bill and Helen as a part of the Senior Associates' Club. He will certainly be remembered fondly and missed by many.

Looking forward to seeing you all very soon!

Kory Kasler

Get A Taste of the Amish Country!

Wednesday, September 29th, 2021

OUCU E. State St. Branch

Bus arrives at 7:15 a.m., departs at 7:30 a.m.

Bus arrives back in Athens around 7:30 p.m.

Cost: \$110 per person, which covers transportation, meal, tour guide and gratuity.

Hop on the bus and be sure to have an empty stomach because we're going to get quite a taste of the Amish Country! Along with enjoying a meal prepared by an Amish family, we'll shop at Hershberger Bakery and Farm Market, enjoy a wagon ride and animal feeding at the Farm at Walnut Creek, indulge at Coblenz Chocolate Company and shop one more time at Walnut Creek Cheese.

We will need 25 travelers registered by **August 29th**. Please call **740-597-2800** or visit oucu.org/amish to register. We expect this trip to fill up quickly, so register early!

Payment and Refund Policies

Payment for Senior Associates' trips is not collected until after the registration deadline. Reservations may be canceled anytime before this deadline. After this deadline, payment will be collected and refunds cannot be issued. If we have a waiting list someone may take your place or you may find someone to fill in.

Ohio University Transportation COVID-19 Mask Policy

OU Transportation requires masks for all travelers. Please be sure to bring a mask along for the trip. We appreciate your understanding as we abide by their policy.

Remembering Bill Coffey

Bill Coffey, coordinator of the OUCU Senior Associates' Club for over 13 years, passed at the age of 90 on Monday, February 1st, 2021, surrounded by his family.

Many Senior Associates' Club members certainly have many fond memories, fun stories and great jokes from trips and luncheons with Bill and Helen, his wife of over 60 years and "the love of his life."

After retiring and stepping away from coordinating the club, Bill and Helen were gifted with a lifetime of free travel with the Senior Associates' Club, and we were lucky to enjoy their company for many of our trips and events.

Bill had a 35 year career in radio and broadcasting, including owning radio stations in Cambridge and Troy, OH. He also taught at Hocking College, including in the Chillicothe Prison education program. Bill was also president of the Athens Area Chamber of Commerce, starting longstanding projects like the Chamber Steak Fry and Ambassador programs. He was a member of the United States Air Force, serving for 4 years.

An active member of the community, Bill was a longtime Rotary member and served on the OUCU Board of Directors along with his time coordinating the Senior Associates' Club and many wonderful travel opportunities.

Thank you, Bill, for the great memories, witty puns and your years of service to the Athens community, OUCU membership and the Senior Associates' Club.

OUCU E. State Street Branch

Join us for our annual Shred Day to securely dispose of unneeded financial statements, receipts, invoices and other sensitive personal documents. Documents will be shredded securely on-site by Allshred Services.

In order to prevent traffic backups in the Shred Day line, we ask that members please limit shred material to around four boxes per person (approximately enough to fill the trunk of a car).

Please contact Kory Kasler at 740-597-2845 or kkasler@oucu.org if you would like to make arrangements for shredding larger amounts.
