

SENIOR notes

Greetings!

I hope fall is treating you well! I'm excited to invite you to join us this December as we travel once again to the Ohio Theatre for their annual Holiday Pops performance. This trip is always a delight and a Senior Associates' Club favorite so I hope you'll join us!

I'd also like to invite you to attend our Basic Estate Planning Seminar with Attorney Garry Hunter. This seminar offers great insight into the basic documents needed for estate planning.

As always, if you have any thoughts or suggestions for the club, including things you'd like to see happen or potential travel destinations, please feel free to contact me at 740-597-2845 or by email at sassociates@oucu.org. I'd love to hear your ideas!

Best wishes!

OUCU Certificate Specials

Certificates are a great way to make the most of your savings, typically offering more competitive rates than traditional savings accounts with the peace of mind of having your funds federally insured.

Opening a certificate is simple! Simply deposit your funds, which cannot be withdrawn for a pre-selected amount of time without a small penalty. At OUCU, you'll never lose principle (your initially deposited funds) should you need your money early.

Funds deposited into OUCU certificates are insured up to \$250,000 by the NCUA and an additional \$250,000 by Excess Share Insurance, the nation's largest private deposit insurer. This means that when you invest in an OUCU certificate, your money is in good hands.

CU Rewards members can take advantage of even better rates. Exchange CU Rewards points at a rate of 1,000 points = .01% dividend rate increase.
