

## Greetings

Hello everyone! I hope your fall has gotten off to a great start! While I enjoy the summer weather, fall is always exciting to me because it means the holidays are right around the corner!

Our holiday trips are some of our most popular, and this year we've scheduled TWO fantastic trips to get you into the holiday spirit! I hope you'll join us at the Holiday Pops show and the Oglebay Winter Festival of Lights.

As always, if you have any thoughts or suggestions about the club, including things you'd like to see happen or future trip ideas, please feel free to contact me by phone at 597-2845 or by email at [srassociates@oucu.org](mailto:srassociates@oucu.org). I'd love to hear your ideas and suggestions.

Best wishes!

Kory Kasler

## Card Fraud Alert! Beware of Spoofed Calls

Fraudsters are constantly coming up with new ways to get access to your money, and the latest scam involves very tricky phone calls that aim to get sensitive information from unsuspecting victims.

Scammers make phone calls that appear as a financial institution on caller ID, posing as a representative. These illegal calls are referred to as “spoofing.” Once they have their target on the line they try to trick them into passing along sensitive information, which is later used to make fraudulent withdrawals or purchases.

**OUCU will never ask you for personal information on a phone call**—we already have your information on file.

If someone is calling you and asking for account numbers, credit card numbers, PIN numbers, social security numbers or other personal information, they are not with OUCU.
