

PROFIT MASTERY CLASS

Driving financial performance in your business is crucial. This program provides business owners and key managers with the tools that can move attendees from Profit Mystery to Profit Mastery. The presentation will be facilitated by Carleen Dotson, Training Specialist and Business Advisor with the Small Business Development Center at Ohio University's Voinovich School of Leadership & Public Affairs. Using case studies and a down-to-earth style — with just a bit of humor and a touch of motivation — this DVD-based program, developed by Business Resource Systems, includes all the material from their internationally-acclaimed two day program. You will never look at your financial statements in the same way!

Only for-profit entities that have been in business for one year or longer are eligible.

In this hands-on workshop, you'll cover:

- Overcoming common business problems
- Understanding your financial position
- Using tools to take active control
- Making effective pricing decisions
- Evaluating cost patterns
- Making your business bankable
- Avoiding cash crunches
- Planning for transition
- An approach to analysis
